

Newquay BID Strategic Events Vision to 2026

The Vision

To continue to create a more vibrant, diverse and all year-round footfall town by scaling up signature events and increasing our support for sustainable, community, commercial and sport / lifestyle events.

Newquay Business Improvement District (BID) is a catalyst for events and will assist event organisers with funding, coordinating, planning, signposting and guidance.

BID will also organise its own events that will add value to both the visitor and resident experience whilst generating growth for the town's businesses, predominately out of season to bolster the year-round economy.

What are the objectives of Newquay BID?

1) Support local businesses by:

- ❖ Creating events that will generate additional bed nights for hotels, B&B's, camp sites and surf lodges.
- ❖ Increasing the dwell time in the town for day visitors.
- ❖ Increasing day visitor numbers to Newquay from outlying areas and beyond.
- ❖ Supporting events that bring valuable economic benefits to Newquay and its businesses.
- ❖ Creating events that attract visitors to Newquay during the shoulder seasons.

2) Raise the profile of Newquay by:

- ❖ Continuing to increase the profile of the town on a regional, national, and international level.
- ❖ Maximising the potential of Newquay through showcasing our landscapes and spaces by using them as venues.
- ❖ Developing progressive, diverse, sustainable and cohesive events.
- ❖ Attracting high profile, international-scale events.
- ❖ Creating community spirit by involving businesses and local residents in events and bridging the communications link between event organisers and the business community.

3) Promote sustainable events by:

- ❖ Creating an environment that is fit for purpose and supports sustainable events.
- ❖ Creating events that are sustainable, have the ability to grow and assisting to help become self-funding in the future.
- ❖ Creating a culture for attending and supporting local events.

4) Support event organisers with:

- ❖ Funding and / or relevant advice and guidance.
- ❖ Assistance with publicity materials through either funding or in-house BID marketing resources.

Types of events

1) Major events – Attracts significant numbers of participants and spectators and generates a direct positive economic impact on the town. The event will have a nationwide profile and gain significant media coverage. e.g., Boardmasters.

2) Business tourism – Flying the flag for Newquay as a place to do business. The event will include the use of BID venues for meetings, conferencing, and seminars. Attracting business people from across the county, business tourism events are key in raising the profile of Newquay and encouraging inward investment: e.g. Newquay Business Week or yearly upskilling seminars.

3) Sport / Lifestyle events – Sporting events that are already happening in the town attracting participants and spectators. Lifestyle events are part of Newquay's success and can be grown by encouraging a larger audience demographic by adding value through music, heritage and culture: e.g. surfing competitions.

4) Community and cultural events – Events that are aimed at local residents and day visitors from across the region. These events attract new day visitors to Newquay and use local strengths to encourage community spirit and involvement: e.g., Lowender Peran and The Fish Festival.

5) Food and drink festivals – Events that have food produce and demonstrations at the core of their activity. These events must complement the existing offer that Newquay has and attract a new audience to the town.

What will the BID fund?

The priority for BID is to fund lifestyle and community events that have growth potential and are inclusive, heritage-based, involve community spirit and participation and create a feel-good factor. Commercial and not for profit events will be considered under this priority.

BID has £10,000 per annum that it will be committing to events that meet the objectives laid out above and will be looking to fund several events with this budget, particularly wanting to support businesses in creating and developing their own events for the town. The BID events committee, made up of Directors and the BID

Manager, will review the applications and decide on which event to fund and how much will be allocated.

What will we expect in return?

In return for the investment into your event BID will expect to be an event partner, irrespective of the investment being financial or in-kind support. Newquay BID will also expect the following:

- 1) The Newquay BID logo on all publicity materials.
- 2) Acknowledgement in all media communications of Newquay BID's support for the event.
- 3) A submitted marketing plan for the event.
- 4) Invitations to regular planning meetings for the event.
- 5) Full visibility at the event in the form of a banner or events flags (BID will provide these).
- 6) A copy of the event budget / profit and loss before and after the event.
- 7) A copy of all press releases that are produced with a chance to amend and add quotes from BID.
- 8) A post-event breakdown of the success of the event.
- 9) A post-event debrief report.

What you will receive from Newquay BID

- 1) Funding, marketing or guidance for your event.
- 2) Contact and links with local businesses to help you grow your event.
- 3) Assistance with press release distribution.
- 4) Event promotion via our digital platforms.
- 5) Help with local authority forms if needed.

How should the impact of the event be measured?

Over the next five years Newquay BID want to measure the impact of events that we support, enabling us to provide a return on investment for our members. Please have a think about how you might measure the success of your event. This could be one of the following or you may have your own ideas.

- ❖ Number of spectators / visitors / applicants.
- ❖ Bed nights generated (if you work with a local accommodation provider).

- ❖ Tourism revenue generated, visitor statistics and spend. All are available from Visit Cornwall.
- ❖ Measurement against the objectives of the Newquay BID events vision.
- ❖ Use of social media insights and campaign tracking including You Tube and Facebook.
- ❖ If you have an event website, use of google analytics and email campaign tracking.
- ❖ Live and post event surveys.
- ❖ Benchmarks from previous year's events or the event debrief.
- ❖ Feedback from local businesses on footfall, sales etc.

What's next?

To apply for funding please complete the Grant Application form which can be downloaded from www.newquaybid.co.uk.

Once completed, the Board of Directors will review the application and make a decision. If you are applying for over £1000 you may be expected to come and pitch your event plan and answer any questions directly to the Board of Directors at a mutually convenient time.

If you would like events support or have any further questions, please complete this form and the BID Manager will be in touch to discuss how we can best support you with our resources.
